## NEXTEK Window Tint

### BENEFITS OF WINDOW TINT:

- 99% UV Protection
- Reduces glare by up to 65%
- Reduces heat by up to 56%
- Improves air conditioning efficiency
- Bonds the glass together in the event of an accident
- Darkest legal limit
- Metallised/Scratch resistant
- Vivid optical clarity
- Increased privacy
- Does not impede night driving

**Whether you're 18 or 80, SPF window tint is a must!** OGR has a professional window tinter working on site in one of a few purpose built tinting suites in the South East. It's a dust-free, sealed environment which promises the best finish when the product is applied.

**Our quality Nextek window tint is 35% darkness which is the legal limit on tint - and it comes with a 10 year warranty.\***
